▼ 2. Introduction to PLC/Stepper/Solenoid valves/sensors

[2.1 PLC General Explanation](#)[2.2 Stepper motors](#)[2.3 Digital Stepper Driver](#)

?

 2.4 Solenoid valves

 2.5 Sensors

✓ 3. Introduction to cable planing

 3.1 E2E Plan in Lucidchart

 3.2 Rules for labeling of every cabel

 3.3 Power for PLC

 3.4 Cabling Trainingslevel 1

 3.5 Cabling Trainingslevel 2

 3.6 Cabling Trainingslevel 3

✓ 4. Introduction to PLC Software installing

 4.1 TIA download link and installation

 4.2 License Transfer in ALM

 4.3 Open a project

 4.4 Factory settings

 4.5 Firmware update

✓ 5. Introduction to Siemens PLC/TIA programming

 5.1 Level 1

 5.2 Level 2

 5.3 Level 3

 5.4 IP address

 5.5 Server interface

✓ 6. Introduction to Cloud Platform Data Source Integration

 6.1 UA Expert

 6.2 PLC in Data Source

 6.3 Nodes in Data Source

 6.4 PLC and Nodes in Swagger

✓ 7. Introduction to YWA

✓ 8. Introduction to Button Cards

 8.1 Generate Button Card

✓ 9. Setup of the Live View

 9.1 Create Google Account

 9.2 Create Twitch Account

 9.3 Camera/tripod setup with adapter

 9.4 Stream via OBS

 9.5 Generate Twitch Card

✓ 10. Image Card

 10.1 Generate Image Card

✓ 11. Model Card

 11.1 Change .step into .glb

 11.2 Generate Model Card
